Great things happen when you graduate from Berkeley Haas.

By staying connected, you accrue advantages throughout your career—and we are here to help you maximize your return.
EVERYTHING THAT ATTRACTED YOU TO BERKELEY HAAS IS A REASON TO STAY IN TOUCH.

Eminent faculty. Exceptional peers. Top-ranked programs. A distinctive culture. All that drew you to this incredible community in the first place continues to add value when you stay connected.
At Berkeley Haas, you can look for inspiration and find it almost anywhere. This is true when you’re a student – and it shouldn’t have to change once you graduate.

No matter where you are in life, we make it easy to pick up your business education right where you left off. Staying inspired by our leading insights can help maintain your Berkeley Haas edge.

**WE BELIEVE IN BEING STUDENTS ALWAYS.**

Our faculty has some of the top thinkers and doers in the world of business. And they’re accessible to former students.

Curious to learn more about our cutting-edge research? Here are a few possible entry points:

- **Berkeley Haas Entrepreneurship** teaching innovative thinking — a first stop for students or alumni interested in launching new ventures or acting as an intrapreneur.

- **The Energy Institute at Haas (EI)** bridges the latest energy research with the marketplace – come explore the frontier with Berkeley Haas.

- **The Center for Equity, Gender, and Leadership** supports research and teaching in gender equity and inclusion – alumni welcome.

- **The Center for Responsible Business** addresses social and environmental challenges – and can help prepare you for careers in the field.

- **The Fisher Center for Real Estate & Urban Economics** produces executive education conferences and shares applied economic research on real estate, urban economics, and California policy issues.

**TAKE ADVANTAGE OF LIFELONG LEARNING**

- Frequent the **Haas Amplified** website for digital learning opportunities.

- Enroll in **executive education** to sharpen your skills and keep up with the leading edge of business.

- **MBA alumni: audit an MBA course** for a refresher on business trends and topics.

- Connect with **Berkeley Haas centers of excellence** to learn about industry-leading research.
